

## Erlinda Maria Gordon, MD

BOARD CERTIFIED IN PEDIATRIC  
HEMATOLOGY AND ONCOLOGY

 2811 Wilshire Blvd #414, Santa Monica, California 90403

Dr. Gordon is an experienced pediatric hematologist-oncologist, cancer drug developer, biopharmaceutical founder and executive with a proven track record in translational biomedical research, patient care and cancer drug development. Currently, she serves as the Director of Biological and Immunological Therapies and the Chairman of the NIH-approved Institutional Biosafety Committee at the Sarcoma Oncology Center in Santa Monica, California.

A native of the Philippines, Dr. Gordon received her medical degree from the University of Santo Tomas Medical College of Medicine and Surgery in 1971. Upon relocating to the United States, she completed her residency in anatomic & clinical pathology with the MetroHealth System in 1974, and her residency in pediatrics at the same educational venue in 1976. Finally, she completed her fellowship in pediatric hematology/oncology at the Case Western Reserve University in 1978.

A Diplomate of the American Board of Pediatric Hematology/Oncology, she was a Tenured Associate Professor for 24 years and is a Professor Emeritus at the USC Keck School of Medicine in Los Angeles, California. There, she licensed the First Academic Vector Production Unit at the Norris Comprehensive Cancer Center, served as its first Medical Director for eight years, and was the Gene Therapy Sponsor for clinical protocols using Targeted Genetic Medicines for Cancer.

As a testament to her success, Dr. Gordon has been the recipient of the Los Angeles Award for Excellence in Biotechnology Research, the National Institutes of Health Research Career Development Award and NIH/FDA funded grant awards. She was also a nominee for the prestigious Thomas Award for Excellence in Research in 2016.
